Albany Award Program Honors the Achievement

ALBANY June 6, 2014 -- Precision Inspection Service LLC has been selected for the 2014 Best of Albany Award in the Real Estate Inspection Services category by the Albany Award Program.

Each year, the Albany Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Albany area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2014 Albany Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Albany Award Program and data provided by third parties.
